THE SCENARIO

THE STORYLINE

- Spider Technologies has developed a mind-control virus, threatening global security.
- W.I.S.E., an international intelligence agency, entrusts you and your team to stop Spider Tech in Operation Mindfall.

YOUR MISSION

Gather Intelligence: Explore designated locations to uncover data and clues.

- Solve Puzzles: Use augmented reality tools and gadgets to crack codes and complete tasks.
- Develop the Antidote: Collect vital components to neutralise the mind-control virus.
- Neutralise the Threat: Deploy the antidote and stop Spider Tech’s plans.
